CPR AND AED CERTIFICATION

The EMC Advantage

The best place to earn your AHA certification for BLS/CPR, we offer a low price solution and a low stress environment for mastering these essential skills. In addition to our BLS class for healthcare providers, we offer three other options for non-medical personnel: AHA Heartsaver CPR with AED, an ASHI CPR/AED certification, and a 2 hour informational class for family and friends!

BLS for healthcare providers is also available online! *Skills Session Required*

"The EMC staff are fantastic. I have been renewing my BLS certification with them for years. Their instructors are great and are truly dedicated to teaching life support skills..."

- Martin Health System Participant

All courses provide a 2 year certificate

Important:

The 2015 guidelines textbook and prep packet are **mandatory** for the BLS Course. The test review questions in the prep packet are to be turned in at the beginning of class. Otherwise, you will not be able to be remediated or retest if unable to successfully pass the written exam on the first attempt!
